

## From the Desk of Miss McElfresh

Friday, January 15, 2016

It was another wonderful and very busy week in second grade! The students finished up their opinion letter assignment and began learning about the concept of addition with regrouping. This new math concept is one of the most important concepts learned in 2<sup>nd</sup> grade. Please make sure to review your child's math homework nightly and let me know if you notice any significant struggles. As we look forward to next week, please make sure that you have sent in your child's permission slip for the Butterfly field trip next Friday. I wish you all a wonderful long weekend. ☺

### Upcoming Events

No School  
MLK Day  
January 18

Butterfly Field  
Trip  
January 22

STAR Testing  
January 28 and  
29

### SAVE THE DATE

We have scheduled our First Communion Parent Meeting for Tuesday, March 22 at 6:30. Please mark your calendars and plan on at least one parent attending this meeting. We will discuss important items regarding preparation for the Sacrament of First Communion.

### What are we learning next week?

**Reading:** What are antonyms? How do you identify main idea and details?

**Math:** How do you add two-digit numbers with regrouping?

**Writing:** Friendly Letter Review

**Social Studies:** How are laws made?

**Religion:** Bible Study: What is the difference between the Old and New Testaments?
