

From the Desk of Miss McElfresh

Friday, January 29, 2016

It was another wonderful week in 2nd grade! We continued working on our study of two-digit addition with regrouping and focused on building peaceful communities for Mission Awareness in Religion. In addition to all of this, we also completed our third round of STAR testing. Looking forward to next week, we will be celebrating Catholic Schools Week! Please see the reminders below regarding our schedule for next week. ☺

Upcoming Events

12:20 Dismissal
February 3
