

From the Desk of Miss McElfresh

Friday, October 9, 2015

It was another fantastic week in second grade! Students began learning about subtraction strategies and also completed their life timelines. Please make sure that you have signed up for Parent Conferences via the online sign up feature. Conferences will be held on Friday, October 16 and it is very important that I meet with each of you to discuss your children's progress.

Also, please note that there will be no school this Monday, October 12 due to Teacher In-Service. Due to the short week, I will not be sending home spelling words or assigning a Connected activity. Instead, students will receive a spelling worksheet that will be due on Thursday.

I hope that everyone enjoys a lovely weekend and I look forward to seeing you all at conferences next week! ☺

Upcoming Events

*No School-
