

From the Desk of Miss McElfresh

Weekly Update

The students had a very busy week in 2nd grade this week! We started our week with a Lenten Penance Service, where the students made their confessions for this liturgical season. Students were also treated to a school showing of the Lion King performance on Wednesday. On Thursday, the 2nd graders took part in the filming of our school's music video. We also began learning about the Eucharist and continued our studies of subtraction with regrouping. Overall, it was an incredibly productive week.

Unfortunately, there have been a few behavior problems over the course of this week. I understand that we have been out of our routine for a few weeks now; however, students are still asked to remain respectful and to listen during lessons. Please remember that you are required to sign your child's planner each night, to confirm that you have seen your child's behavior report for the day. This will ensure that there are no surprises when report cards are sent home next week. I encourage you to speak with your children about the need to remain dedicated to their studies and lessons throughout the remainder of the school year.

CALLING ALL VOLUNTEERS:

Mrs. Holtgrewe will be assembling the school yearbook this year and is in need of photos of special events throughout the 2015-2016 school year. If you have any photos from these events, please email them to her at ericah@mountcarmelschool.net
