

From the Desk of Miss McElfresh

Weekly Update

I hope that everyone had a wonderful time at Math Madness Night earlier this week. It was great seeing all of the students and family members. We had a wonderful, productive week in second grade this week! The students wrapped up their study of subtraction with regrouping, continued their preparation for First Communion, and celebrated Saint Patrick's Day. Looking forward to next week, please don't forget that we have our **VERY IMPORTANT First Communion Parent Meeting next Tuesday, March 22 at 6:30** in the second grade classroom. Please make sure that at least one parent is in attendance. Our meeting will run for no longer than 1 hour.

Also, don't forget that we will have a short week for Holy Week next week. There will be Noon Dismissal on Thursday, March 24 and No School for Good Friday on Friday, March 25. I wish you all a lovely weekend! ☺

CALLING ALL VOLUNTEERS:

Mrs. Holtgrewe will be assembling the school yearbook this year and is in need of photos of special events throughout the 2015-2016 school year. If you have any photos from these events, please email them to her at ericah@mountcarmelschool.net
