Weekly Update

It was quite a week in 2nd grade as many of us continued to struggle with the cold that is going around. As you know, I was out sick for the duration of the week; however, that didn't stop the 2nd graders from learning many new things! They began their unit on two digit subtraction with regrouping and did the readings at Mass on Wednesday. Please don't forget that we have our School Family Mass this Sunday (3/6) at 10:00. Students will need to meet in the church and will sit as a class. Please let me know if your child will not be in attendance.

Looking forward to next week, we will begin our study of First Eucharist. Don't forget that we have our Parent Meeting scheduled for Tuesday, March 22 at 6:30. I wish everyone a lovely weekend and I will see you on Sunday! ☺
