Weekly Update

The students did an excellent job in 2nd grade this week! We wrapped up our study of fractions and began our final preparations for First Communion. As we look forward to our next week, the students will be counting down the last few days before First Communion. Please see the reminders below so that you are fully prepared for all of the upcoming events:

- ✧ Family Banners are due this Monday, April 25
- ✧ First Communion Picture Order Forms will be in the Lancer folders today. PLEASE KEEP THESE FORMS AND BRING TO THE CHURCH ON THE DAY OF FIRST COMMUNION. Pictures will be taken at 9:00 a.m. by the fountain.
- ✧ There will be no spelling homework next week. Instead students will need to complete the 1st Communion worksheet. This will be due on Friday.

Don't forget that I have posted all of the necessary items for Communion on our classroom website under the Religion tab. I wish everyone a lovely weekend. ☺
