

# From the Desk of Miss McElfresh

Friday, September 4, 2015

It was another wonderful week in second grade! Students began learning about the Scientific Method in preparation for our Nate the Great Experiment next week. They also continued their review of addition and subtraction in math.

I hope that everyone has a wonderful weekend.

## Important Notes for Next Week

- ✧ Our science experiment will be on Tuesday. Each student will need to **bring in one empty 16 ounce water bottle for our experiment**
- ✧ Please make sure that your child is completing homework on time. Missing homework will result in your child completing it in the sit out room that morning.

## Upcoming Events

- \*Spirit Shirt Day  
September 11
- \*Back to School  
Night  
September 18
- \*Picture Day  
September 25

## Volunteers Needed!

OLMCS is in need of a Middle School Soccer or Volleyball coach and a 4<sup>th</sup>/5<sup>th</sup> grade soccer coach

## What are we learning next week?

**Reading:** What is realistic fiction? Short vowels e, o, and u.

**Math:** What are strategies for addition and subtraction?

**Writing:** How do you write a "How To" piece?

**Science:** Nate the Great Wave Bottle experiment

**Religion:** How did Jesus spread the Word of God?
